Location: Virtual

Cost: Free—ALL xMinds events are free!

Future Dates: Wednesday, June 26; and the 4th Wednesday of every month, with adjustments for holidays

The xMinds Committee on Student Transitions to Adulthood hosts a monthly online discussion group for Montgomery County parents of an autistic student in middle or high school.

Take this opportunity to chat, connect, and share experiences with other local parents who are considering their autistic teen's post-high school plans.
